

Panoramic & Intraoral Radiographic Interpretation Training: Core to Advanced

With Clinical Professor Bernard Koong, Oral and Maxillofacial Radiologist

Radiology Training Sponsorship Opportunity 2027

Connect with a targeted clinical audience and maximise your exposure at Victoria's leading oral health conference.

The Royal Dental Hospital of Melbourne and Oral Health Victoria is offering an **exclusive sponsorship opportunity** for its specialist Dental Radiology Training, taking place on **Friday, 26 February 2027**, at the Melbourne Convention and Exhibition Centre.

Led by internationally recognised Oral and Maxillofacial Radiologist **Clinical Professor Bernard Koong**, the half-day training will bring together up to 100 public and private dentists for specialist clinical education.

Why sponsor?

Unlike a standalone training event, the Dental Radiology Training is held in conjunction with the **Oral Health Victoria Conference 2027**, attracting more than 500 oral health professionals, clinicians, industry leaders and decision-makers.

Training delegates participate in the main morning conference program and networking opportunities before attending the dedicated afternoon radiology session.

This provides sponsors with two valuable opportunities: **broader brand exposure through the 500+ delegate conference and direct engagement with a focused clinical audience of up to 100 dentists.**

Sponsorship benefits

As the exclusive Radiology Training Sponsor, your organisation will receive:

- **Exclusive recognition** as the official Radiology Training Sponsor.
- **Conference-wide visibility** through branding on the conference website and dedicated training promotions.
- **Digital marketing exposure** through conference newsletters and email campaigns promoting the training.
- **Full-page advertisement** in the digital conference program, available to all 500+ conference delegates.
- **Prominent on-site branding** throughout the day and within the afternoon radiology training session.
- **Targeted audience alignment** with up to 100 public and private dentists.

Sponsorship investment

\$7,500 + GST | One exclusive opportunity available

Position your organisation alongside specialist clinical education while benefiting from the reach and profile of the Oral Health Victoria Conference 2027.

Interested in broader sponsorship or exhibition opportunities? Explore the full range of sponsorship packages available at the Oral Health Victoria Conference 2027.
